

The Baptism of Holy Spirit for Daily Life and Prayer

Preparing my heart to receive

Praise - I get my eyes on God and welcome the presence of Jesus. I begin by centering my attention on Holy Spirit who will help me by bringing me everything I need.

Surrender - I give Holy Spirit control of all the different areas of my life—I will be specific. Holy Spirit needs my permission to work and influence every part of me.

Repent - I will be still and listen to Holy Spirit. I will ask Him if He sees any roadblocks in our relationship. I will ask Him to search my heart for any fear, pride or unbelief around His work in me. I confess out loud and turn from every sin that He reveals.

Asking for what God wants for me

Ask - Jesus wants to baptize/empower me with Holy Spirit. I will tell God how I long to be filled completely with Him through the person of the Holy Spirit. I will believe that Jesus has filled me with Holy Spirit as soon as I ask. I thank Him in faith.

Yielding to the Spirit's desires

Yield - I choose to yield myself to Holy Spirit and listen for His voice. I nurture what He reveals to me by faith. I activate what He is calling me to partner with Him in. I ask him follow up questions if I don't understand.

Thanksgiving - I thank God for what He is has just done in me, believing for even more!

Daily - I walk in praise, surrender, repentance, asking and yielding, as I enjoy an intimate spontaneous relationship with Holy Spirit!
